

ETERNITY IN OUR HEARTS

By Moses Valle and Norman Holmes

VERSE 1:

Our lives each prepare us for eternity
Each action and word will shape our destiny
With Christ as our Guide
He will carry us through
And keep His promises to me and you!

PRE-CHORUS:

Capture our hearts, open our eyes
By faith we offer You all of our lives

VERSE 2:

The stadium is full of the victors of old
Now cheering us on as our contests unfold
They fought their good fight, and finished their race
As we will also do, by God's great grace!

CHORUS:

Give us the vision, we will answer Your call
Give us grace and strength to overcome each day
Looking to Jesus we surrender our all
Set eternity in our hearts, we pray

VERSE 3:

Creation awaits the glorious day
The Bride of Christ soon will be caught away
The trumpet will sound and the Lord will descend
His kingdom's love and joy will never end!

BRIDGE:

Arise O Lord, and meet with us here
Let us be restored as we all draw near
Then Your Church will be victorious, And Your bride will be all glorious
Ready to rule and reign!

CODA:

Set eternity in our hearts (3x)
We pray
